Do you have questions?

How to dodge enemies in corners?

You can watch video for old version to see a strategy.

Why items needed?
That is secondary quest.

Why game was called “Sea of horror?”
Because of the message you can find in game.

There will be third part?
Probably yes.

Can I play as Ginx?
Not in this part, but probably in future games.

Why differtent map was used?
Previous map source code was damaged.

Other questions?
Ask on itch.io in comments.
